RACA INU - WORLD'S BEST COMMUNITY COIN

RACA INU is a good friend of Doge and Shiba INU , and he's coming to crypto world to be the Best Dog any owner would want to own. Our Raca loves bread so they need new Home Owners to adopt them and feed them till they get fat and make your life a happier place to live than ever before.

WHAT TOKEN IS RACA INU ?

Why Raca INU?

- 1) We locked the LP for 6 months and we did KYC and audited contract to ensure your Raca's are safe and healthy !
- 2) With 1% reflections you are sure that your Raca's will grow in numbers and get chubby as they need to be
- 3) We are always listening to community proposals and keeping in touch with our members to ensure that this token succeeds! Your opinion is important .
